The **Lyon County Fly-In**, a non-profit 501(c)(3) organization, holds an annual event at the Silver Springs/Lyon County Regional Airport in Silver Springs, Nevada on Armed Forces Weekend (May 17 and 18, 2008). The **Fly-In** event is held to introduce aviation to the general public. This year's theme is "KIDS IN AVIATION". The **Fly-In** provides an opportunity for kids to experience the world of aviation through the EAA Young Eagles First Flight Program, where children the ages of 8-17 can experience the thrill of flying for free.

The **Fly-In** allows the public to get up close and personal with pilots who build and fly their own airplanes. There are a variety of other aspects of aviation for the general public to experience, along with community involvement, in this event. A number of activities are being planned for young and old.

Our Goals include:

- ✿ Promote aviation and education through the "Young Eagles" program. Provided by the Experimental Aircraft Association, Chapter 403, youth age 8 to 17 are given an opportunity to have their first flight in a small plane and interact with the pilot;
- ✿ Support the armed services by giving them a chance to interact positively with our attendees;
- ✿ Offer a forum to showcase Lyon County and attract visitors to the area. Lyon county is the second fastest growing area in Nevada and has much to offer visitors and businesses interested in our communities;
- ✿ Offer a forum for various businesses to showcase themselves, their products and all that they contribute to the community;
- ✿ Offer a forum for the many other non-profit organizations in Lyon County to earn funds for their many worthwhile projects;
- ✿ Promote aviation;
- ✿ Provide a weekend of family fun for the residents and visitors of Lyon County.

We would appreciate having your support for the **2008 Lyon County Fly-In** through a sponsorship and/or donation. You can sponsor a specific item or event at the **Fly-In**, such as the pilot breakfast, VIP chalet, volunteer appreciation dinner, children's games, raffle, generator, registration tent, etc. Any contribution of \$350 or more will allow your organization to exhibit at the **Fly-In**. The **Lyon County Fly-In** is a 501(c)(3) non-profit organization incorporated in Nevada. All contributions and sponsorships are fully tax-deductible.
